Subject: CERCLA Off-Site Rule Question

Hi Michael - We had a meeting to review groundwater release issues at the White Mesa Uranium Mill located in Blanding, Utah, b(5) Attorney-Client EPA
located in Blanding, Utah. b(5) Attorney-Client has direct implementation authority for tailing impoundments and evaporation ponds at the uranium mills
under 40 CFR Part 61, Subpart W during the permitting or licensing process. <b>b(5)</b> Attorney-Client

Can you meet with us to discuss these issues? If yes, when would be a good time to meet? Thanks.
